

We have the experience that counts for your clients.

- 29 aggressive attorneys, plus a large professional staff.
- Nine major areas of practice.
- Thousands of injury victims and families represented.
- More than 35 years spent seeking justice for Floridians.

We are proud of our track record when it comes to verdicts and settlements on behalf of our clients. But at Searcy Denney, we know that dollars are not the only measure of success. Each case is different, and each client warrants our compassion and undivided attention.

That's why, if you have a client who could benefit from our experience, we're ready to help.
